Receipt Printer SP512 Auto Install

Once you have hooked up your receipt printer to the computer (See receipt printer manual page 7) you will need to install the printer drivers.

Browse to <http://www.tds.lib.mn.us/Staff/Support.htm>

Click on the **Download Receipt Printer Driver** link

A box will appear asking what to do -- Choose "Run"

A box will appear with some brief instructions -- Click "OK"

A new box will appear in which you will need to make some choices

They are:

Model: Star SP512 Line Mode Printer

Port: LPT1

Name: Star SP512 Line Mode Printer Station 1 (Change as needed)

Click the "Automated Printer Install" Button

A box will appear asking if you want to make the printer the default – Choose "NO"

You can then choose to print a test page if you wish.
